

**TO WHOM IT MAY CONCERN**

**RADIOACTIVE CONTAMINATION OF STEEL FROM INDIA**

Dear Sir or Madam,

Zwahlen & Mayr SA based in Aigle (CH-1860) hereby certifies that the steel products we deliver are not of Indian origin.

Our company does not get stainless steel from Indian suppliers such as:

BUNTS  
LAXMI  
SKM STEELS  
VIPRAS CASTING LTD  
PRADEEP METALS LTD

The danger of radioactive pollution from one of these suppliers is therefore excluded.

In addition, ZM has the resources and expertise to carry out such measures and monitors regularly.

Yours sincerely,

ZWAHLEN & MAYR SA

David Auer  
Sales Director
